How this road will benefit you

- Safety**
Improve safety at junctions, side roads and private accesses by reducing traffic flows on the existing A428
- Journey times**
We will cut journey times by more than 1/3 at peak times - up to an hour and half in a working week
- Traffic reduction**
There will be up to 4,000 less cars on local roads
- Accessibility**
Will make jobs in Milton Keynes, Cambridge and beyond more accessible
- Connecting communities**
We will improve the safety of horse riders, cyclists, walkers and connecting communities
