

Join us for the opening day of our newly designed TEC Smart Flat.

Equipped with a wide range of technology to support people everyday living in our community!

Our TEC Smart Flat is a dedicated space to showcase technology that supports everyday living is essential for raising awareness and encouraging adoption.

Hosted by Cambridgeshire County Councils Technology Enabled Care Service

 **Date: September 6, 2024**

 **Time: 12:30 PM – 3:00 PM**

 **Location: Flat 12 Rectory Gardens, Godmanchester,
Huntingdon, PE29 2BH**

Discover Our Services:

-  **Medication Management:** Stay on top of your health with automated reminders.
-  **Falls Alerts:** Immediate assistance in case of falls.
-  **Activity Mapping:** Monitor daily activities for safety and well-being.
-  **Night Walking Assistance:** Ensure safe movement during the night.
-  **Epilepsy Support:** Specialised alerts and monitoring.
-  **Prompts and Reminders:** Never miss an important task or appointment.

Why Attend?

-  **Stay Informed:** Learning about the latest technology solutions is essential for both individuals and family members or unpaid carers. It empowers informed decision-making.
-  **Meet the Team:** Connecting with the dedicated team allows attendees to ask questions, share concerns, and explore personalised solutions.
-  **Preventative Approach:** Understanding how these services can reduce, prevent, or delay the need for formal care is crucial. It benefits both the individuals and the healthcare system.
-  **Support Unpaid Carers:** Informal/unpaid carers play a vital role, and this event can provide resources and support for them.
